

WIN-911 Premium Voices

WIN-911 Premium Voices provide a more natural sounding voice as an alternative to the standard Microsoft choices. WIN-911 Premium Voices can be added to any WIN-911 Interactive, Advanced or PRO package.

WIN-911 Premium Voices are offered in 46 languages. Each Language Pack is sold separately and will include all voices. For more information about obtaining WIN-911 Premium Voices, please contact your local WIN-911 distributor or visit our website for pricing and availability.
